

The East Side Nursery School

APPLICATION

Eligibility

To qualify for enrollment for the two-morning program children must be 3 years old by September 1 and toilet trained by the beginning of the school year. For the three-morning program children must be 4 years old by September 18.

Registrations are made only upon completion of the application form and payment of a \$25 application fee. Upon acceptance into a class, a \$250 deposit is payable to secure your child's spot. The application fee and deposit are non-refundable.

Application Process

ESNS begins accepting applications (with a non-refundable \$25 application fee) on September 1 of the year prior to your child enrolling. The number of positions available each year varies, as alumni families and current families have preference for enrollment, and because ESNS attempts to maintain a gender balance in each class, if possible. ESNS mails acceptance letters in early March; families are offered admission based on the date ESNS received the application and fee.

Upon acceptance into a class, a non-refundable \$250 deposit is payable to secure your child's spot. Tuition payments are due May 1, July 1, September 1, and December 1. The deposit is applied to your final tuition payment.
